## DESCRIPTION

A Dr. formulated prescription formula containing Retin-A (tretinoin), hydroquinone and kojic acid. This combination of ingredients corrects uneven skin tone, wrinkles and deep creases, as well as brightens the skin. Visibly reduces fine lines and wrinkles through increased cellular turnover, while enhanced collagen synthesis promotes healthy, more youthful looking skin.

## BENEFITS

- Prescription strength skin care. Reduces hyper-pigmentation, fine lines & wrinkles.
- Lightens uneven skin tone and pigmentation brought about by hormonal changes and excessive skin exposure.
- Medical grade product that is guaranteed to improve skin tone and texture.

## DIRECTIONS FOR USE

- Directions: Apply sparingly over face and neck, avoiding eye area. Allow product to fully absorb. Use once a day at bedtime, or as directed. Initial application should be three times a week for first week; increase use after signs of irritation diminish.
- Use of sun protection recommended.
